Dear Friends of Caritas,

On behalf of the Board and Staff of Caritas, I want to thank you for your gift of \$1,625.00 received on 1/5/2012. Your generosity is sincerely appreciated and helps us serve families who are in great need.

Caritas served an average of over 2100 families per month in 2010, and indications are that these numbers will not decline soon. The support we receive from individuals, congregations, businesses and other organizations is critical to our ongoing capability to offer emergency food and related services.

If you would like more information about Caritas or if you would be interested in seeing our operations first hand, please feel free to contact me at 753-4593, ext. 205 or by email at caritas@grandecom.net. Thank you again for caring!

Gratefully,

Eddie Sherman
Assistant Executive Director

Thank you for your on-going help.
