Dear Mr. Griffith,

It was with sincerest gratitude that I write you today to recognize the impact that CenTex has made on our Home Repair Program. Your in-kind donation of nearly \$30,000 in time, labor and materials has enabled Austin Habitat for Humanity to serve more low-income families than was ever possible before.

Because of your contribution, eight homeowners this year will have new foundations. That is eight families that would still be living in substandard housing if not for your generosity. We do not otherwise have the funding to undertake foundation repairs, and our program is now stronger with your support.

At Austin Habitat we believe that everyone deserves a simple, decent and affordable place to call home. Thank you for helping us make that possible for those who need it the most. We are honored by your partnership.

Sincerely,

Michael Kellerman
VP of Development and Communications

*Thank you again for all you and
your colleagues do for Austin
Habitat!*
